Reference is invited to the DO letter No. CEO/Gen 12/93/REGP/03-04 dated 04-02-2004 addressed to C.E.O. of Khadi and V.I. Boards and REGP/Target/M-64/2003-04 dated 19-8-2003 addressed to all State/Divisional Directors regarding not exceeding of financial target allocated to them.

In this connection, it is informed that while implementing the Scheme, it is some times possible that the assigned target is exceeded. If so, the excess achievement may be carried forward and adjusted against the next year's allocation. However, this should normally not be more than 20% of the target set for the year. It should be remembered that during 10th five year plan period, employment must be created under REGP for 25 lakh persons. It is only possible when the field offices achieve the employment target assigned to them with the Margin Money Grant allocated in their favour.

All State/Divisional Directors and State/U.T. KVI Boards are requested to bestow proper attention towards identification of projects, selection of such projects, wherein optimum rural employment may be generated and social aspects criteria are also fulfilled. All the aspects are to be discussed in the District forum such as DCC, DLRC every quarter and state forum viz. SLBC to ensure that the desired goal is achieved. Regular monitoring should be done with all concerned in the field.

Finally, it is informed that weekly review must be taken with Nodal Bank Branches during remaining period of current financial year to ensure that the above mentioned targets are achieved as on 31.03.2005.
